

HIGGINS PARTNERSHIPS PLC – QUALITY POLICY

Higgins Partnerships PLC is one of the leading names in estate regeneration, mixed use development and new build housing for London and the South East. In addition to providing sustainable solutions to the region's housing shortages, we are acknowledged as one of the leading names for quality and value within our sector.

The Directors of Higgins Partnerships PLC are committed to:

1. Sustain and improve the high quality of building contracting services provided by the company
2. Ensure that all contractual requirements between the company and its Clients are consistently achieved
3. Ensure that Health, Safety, Quality, Environmental, Sustainability and Welfare requirements are properly integrated, applied and maintained
4. Continually try to improve the effectiveness of the Quality Management System operated by Higgins Partnerships PLC.

In order to ensure that the aims of this Policy are met, the company has developed and implemented a Higgins Management System, which has been developed in accordance with the requirements of BS EN ISO 9001:2015.

Conformance with the requirements of the Higgins Management System is mandatory for all members of staff engaged in the provision of building contracting services.

This policy is subject to review at the Annual Management Review in order to ensure its continued relevance and strategic fit with both our environmental and business values and objectives.
